**CHAINSAW 50cc - POWXG1023**

This chain saw with powerful 50cc two-stroke engine has a high quality Oregon chain and bar for efficient operating. The blade is no less than 500mm and cuts fast through thick tree trunks and limbs.

The POWXG1023 really has it all. The primer bulb with controlled oil delivery will help to fill the Walbro carburettor with just the right amount of fuel. Thanks to the easy start system you can start your engine effortlessly with only one pull of the starter handle.

The automatic oiler will constantly lubricate the chain for a smooth supply. For your comfort and safety, the chain saw is equipped with a chain brake, a low kickback and a low vibration system. The POWXG1023 comes with an extra chain.
