

Carros/soportes portamangueras

GARDENA Hose Reel 30 with Hose

Longitud de la manguera:	15 m
Diámetro de manguera simple:	13 mm
Max. capacidad 15 mm (5/8"):	30 m 13 mm (1/2"), 20 m 15 mm (5/8"), 15 m 19 mm (3/4")

Descripción

Easily transportable for use in the garden, caravan, boat etc. Firm stand due to low located centre of gravity. Centalised, rolling jandle for comfortable carrying which is gentle to the wrist. Large crank handle for winding the hose easily. Compact, allows for space-saving storage. Angled connection prevents kinking of the hose.

Especificaciones técnicas
