As a manufacturer

EU type certificate

CERTIFICATE No. 20/2525/00/0161

Has obtained EU TYPE EXAMINATION in compliance with what is stated in Regulation (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications

Intended for eye and face protection, according to the following standard/s:

EN 166:2001: "Personal eye-protection. Specifications",

- Optical class 1, Protection against high-speed particles (medium energy impact) (B), Protection against drops and liquids splashes (3) and protection against molten metals and hot solids (9).

EN 170:2002: "Personal eye-protection. Ultraviolet filters. Transmittance requirements and recommended use",

- Protection class 2C-1,2.

Having achieved the performance requirements specified in Technical Test Report No. **2019EC0211UE** and the PPE's Technical Documentation.

Description of the PPE:

The eye protector consists of a visor-shaped mount, a transparent visor and a fastening system consisting of a head harness.

The materials that form the PPE, are described in the technical report nº 2019EC0211UE.

It shall be the manufacturer's responsibility to provide specific information of this certificate and the tested levels of protection.
